Trauma-Informed Care Conference

Pursuing better outcomes and fostering resilience

Register Now: <http://bit.ly/TICC2021>

A one-day conference for professionals, foster/adoptive parents, and IV-E students that work with, and on behalf of, children in the child welfare system.

Conference Hosts:

- The Title IV-E Child Welfare Training Program at Southeastern Louisiana University
- The Pelican Center for Children & Families

Integrating Trauma-Informed Practice in Child Welfare

About the Conference:

Understanding trauma and utilizing a trauma-informed perspective is vital to effective work with children in the child welfare system. This conference features nationally recognized experts in social work, mental health, and programmatic models to create a unique learning opportunity for professionals, foster parents, and students.

You should attend this conference if you want to:

- √ *Gain an understanding of the impact of trauma across the lifespan*
- √ *Acquire skills for assessing trauma in child welfare clients*
- √ *Identify and understand trauma-related challenges in multiple domains of functioning*
- √ *Understand the importance of trauma-informed treatment*
- √ *Acquire practical skills to foster resiliency in children impacted by trauma*
- √ *Utilize a trauma-informed perspective in making case decisions and formulating treatment recommendations*
- √ *Gain an understanding of the impact of secondary trauma and acquire strategies for prevention and treatment*

Conference Topics:

Morning Keynote:

- **Trauma Informed Care and Implications from Substance Abuse**
 - **Parker Sternbergh, LCSW-BAC, Tulane University**

Lunch Speaker:

- **Self Care for Child Welfare Practitioners**
 - **Michele Many, LCSW-BAC, LSU Health Sciences Center**

Breakouts in the Afternoon:

- **Trust-Based Relational Intervention**
 - **Shelby Baird, Crossroads NOLA**
- **LGBTQ and Trauma with Foster Youth**
 - **Heidi Peck Breaux, LCSW**
- **Neuroscience of the Brain and the Relationship to ACEs (Adverse Childhood Experiences)**
 - **Sonia Daniels, Ph.D.**

Pursuing better outcomes and fostering resilience

CONFERENCE SCHEDULE:

- 7 am Zumba Morning Wake Up Sponsored by Healthy Blue Louisiana and Dr. Raymond Poliquit
- 8 am Resource Fair—Morning Session
- 9 am Welcome and Keynote Presentation—Trauma Informed Care and Implications of Substance Abuse
- 12 pm Lunch and Lunch Speaker—Self Care for Child Welfare Practitioners
- 1 pm Resource Fair—Afternoon Session
- 2 pm Breakouts
 - A) Trust-Based Relational Interventions
 - B) LGBTQ and Foster Youth
 - C) Neuroscience of the Brain and ACEs

OVERVIEW: This dynamic one-day event will feature nationally recognized experts on childhood trauma and will equip those working with children in the child welfare system with the knowledge and skills necessary to foster resilience. Keynote presentations will build a trauma-informed practice framework and breakout sessions will target the application of trauma-informed skills tailored to both professional and foster/adoptive parenting roles in working with children.

CEU/CLE: This conference has been designed to offer up to 5 hours of clinical CEU's in Social Work through the Louisiana Child Welfare Training Academy (pending). We have also applied for 5 hours of CLE with LSBA.

FEES: *Registration fees are \$25 per person to attend the one-day conference. CURRENT MARKET VALUE FOR 5 CLINICAL CEU HOURS IN THIS REGION = \$100 or more*

REGISTRATION: Registration is only online and in advance of the conference. All registrations must be paid in advance via credit card. If your agency must pay by check, call 985-624-3514 and speak with Jennifer.

Foster parents and students: Foster parents and Southeastern Louisiana University IV-E participants and social work students: Contact your IV-E Program Coordinator or instructor to find out if you are eligible for a registration scholarship. Foster parents contact Sarah Burleigh at LA Foster and Adoptive Parents Association or Team Dynamics for information (985-624-3514).
